LET IT SNOW

Keep your loved ones cozy all winter with these gifts that add warmth and a touch of luxury.

Tabletop Fireplace – \$

On cold nights, nothing beats the comfort and glow of a fire. The [Regal Flame Black Utopia Tabletop Fireplace](#) can be used indoors or outdoors, no vent required.

Towel Warmer – \$\$

Who wouldn't love to wrap themselves in a warm towel draped over the modern and elegant [Anzzi Electric Towel Warmer](#) in Polished Chrome?

Smart Thermostat – \$\$\$

After using the [Nest Learning Thermostat](#) for a week, it will start to recognize patterns and adjust your temperature automatically. No more coming home to a cold house!

Radiant Floor Heating – \$\$\$\$

You'll love stepping onto a heated floor on a cool morning. Plus, [sub-floor radiant heating](#) is energy-efficient, effective, and doesn't blow dust and allergens around like forced-air systems.

ROCK AROUND THE TREE

Music lovers are sure to appreciate these gifts guaranteed to enhance their listening experience throughout the home.

Showerhead Speaker – \$

The [H2oVibe Rain Showerhead Jet](#) with Wireless Bluetooth Speaker syncs with any bluetooth-enabled device so you can stream your favorite music or audio directly into the shower.

Voice Controlled Smart Speaker – \$\$

Smart speakers like [Amazon Echo](#) and [Google Home](#) not only stream music on demand via voice control, they can also serve as a central hub for numerous other smart-home devices.

High-End Wireless Speaker – \$\$\$

For a premium speaker, the [Sonos Play:3](#) delivers rich and robust sound with a sleek design that can fit almost any space.

Whole Home Audio System – \$\$\$\$

[Yamaha](#) offers a wide variety of components, all designed to work in conjunction to give you a customized, whole-home audio and home theater system.

ADD SOME SIZZLE TO THE SEASON

Home chefs will love these gifts, perfect for holiday entertaining and home cooking all year long.

Bread Maker – \$

With the [Hamilton Beach Programmable Bread Machine](#), you can enjoy fresh bread (even gluten free!) with minimal effort.

Electric Smoker – \$\$

If you love to barbecue, the [Char-Broil Deluxe Digital Electric Smoker](#) gives you the tenderness and flavor of smoking meat, without the hassle.

Smart Sous-Vide Machine – \$\$\$

Sous vide is a method of cooking in which food is vacuum-sealed in a plastic pouch and then placed in a water bath to cook to a precise temperature. The new [Mellow Smart Sous Vide Appliance](#) promises to make sous vide as easy and foolproof as a slow cooker.

High-End Oven Range – \$\$\$\$

The [36" Dual Fuel Range with Six Burners](#) from Sub-Zero Wolf features ten custom cooking modes, and its timeless stainless steel design will enhance the beauty of any kitchen.

SPARKLE AND SHINE

These cleaning gadgets and appliances will help your home sparkle and shine all year long.

Portable Deep Carpet Cleaner – \$

Anyone who has pets or children will love the convenience of cleaning up wet spills and stains with the [BISSELL SpotLifter 2X Portable Deep Carpet Cleaner](#).

Robotic Vacuum Cleaner – \$\$

The [ECOVACS DEEBOT N79 Robotic Vacuum Cleaner](#) provides a good mix of features, which are easily accessible from your smartphone.

Dishwasher – \$\$\$

The [Maytag Front Control Dishwasher](#) gets consistently great reviews for its powerful motor, and its elegant exterior will upgrade the look of your kitchen ... all without breaking the bank.

New Washer/Dryer – \$\$\$\$

If anything can make laundry exciting, it's a new washer and dryer with smart-technology like the [Kenmore Elite Smart Washer and Dryer](#). Now you can start a load of laundry remotely from your smartphone to time it with your arrival home.

KEEP THE GRINCH AWAY

Protect your loved ones—and deter intruders—with gifts that keep you and your home safe and secure.

Smart Light Bulbs – \$

Never enter a dark house again with the [Philips Hue White Smart Bulb Starter Kit](#). Control them remotely with your phone or tablet.

Video Doorbell – \$\$

The [Ring Video Doorbell 2](#) enables you to see and talk to visitors without opening the door, even if you're away from home.

Smart Lock – \$\$\$

No more leaving a key under the doormat or fumbling for one in the dark. With the [August Smart Lock Pro + Connect](#) you can control your locks from your smartphone.

Security System – \$\$\$\$

[Vivint](#) can integrate your in-home security system with video monitoring, a doorbell camera, smart locks, garage doors and even your thermostat.

We're Here To Help

As real estate professionals, we get to visit people's homes every day and talk to buyers and sellers about their favorite features. So we have a unique insight into the elements that truly make a house special, bring joy to homeowners and add value to a home.

If you do decide to "splurge" on a home upgrade, contact us for recommendations on the best options for your particular home. Buyer expectations and preferences vary depending on price point, style of home and neighborhood. We can run a comparative market analysis to find out how the upgrade you're considering will impact the value of your home, before you make the investment.
